## We are more than a **home care agency.**

### Our Vision

Our vision at Nation Home Care is to be the leading provider of exceptional home care and supported living services in and around London. We strive to redefine the standard of care by empowering individuals to live fulfilling and independent lives within the comfort of their own homes.

### Our Mission

At Nation Home Care, our mission is to provide compassionate, person-centered support that promotes the well-being and independence of our clients. We are dedicated to delivering high-quality home care and supported living services that meet the unique needs of each individual, fostering a safe and nurturing environment where they can thrive.

### Our Regulations

At Nation Home Care, we take great pride in being a fully managed and regulated care provider accredited by the Care Quality Commission (CQC) and the United Kingdom Home Care Association (UKHCA). These esteemed accreditations validate our commitment to delivering the highest standards of care and ensure that our clients receive exceptional support and services.

# Supported Living | who we are

We can provide care in your home anywhere in **London**

At Nation Home Care, we are proud to offer person centered supported living services. We understand that everyone's journey and support needs are different, which is why we prioritize individualized care plans that place the person at the center of their care. We strive to make the process of arranging home care for you or your loved one as effortless as possible.

Our devoted customer team is readily available, just a phone call away, to assist you in arranging care services. They will attentively listen to your requirements, engaging in detailed discussions, and subsequently coordinate a consultation with a local care manager.

**Experience the superior quality of life that comes with receiving care in the comfort of your own home.**

At Nation Home Care, we are proud to offer person-centered supported living services. Our dedicated team works closely with individuals to develop a support framework that respects their preferences, promotes their independence, and empowers them to lead fulfilling lives.

Conditions we **support:**

→ Mental health    → Physical disabilities    → Complex care    → Stroke care
